- Tell you all about the campaign and how families can access help and information
- How to advise families in need; in particular what information you may need to collect
- Practical information on entitlements in different circumstances, how to claim and where to get further support

DATES

Thursday 17 Sept, 10am - 1pm, Maybury Centre, Woking

Friday 2 October, 10am - 1pm, Runnymede Centre

Thursday 26 November, 10am - 1pm, Greenark, Guildford
