

# Help with mortgage costs

## Who is this course for?

Do you advise clients who are finding their mortgage payments hard to meet? This new course looks at the help which may be available, and also covers new Government initiatives that have been introduced to help people who are struggling with mortgage arrears.

You will need a basic understanding of the social security system before attending this course.

## Aims

To enable advisers to identify the help that is available for mortgage payments, and to have an understanding of the amount of benefit that may be payable.

## Objectives

At the end of the course, delegates will:

- Be able to identify who can get help with mortgage costs
- Have better understanding of what costs you can receive help with
- Have an awareness of how mortgage housing costs are calculated
- Be able to advise on what restrictions or waiting periods may apply
- Be aware of Government initiatives for help with mortgage payments and arrears
