

Course Outline

BANKRUPTCY

A one day course for advisers in the voluntary sector

Aim:

By the end of the day participants will be able to advise clients on whether bankruptcy is the best option for dealing with their financial difficulties and assist them to prepare and present a debtor's petition.

Course includes:

- Advantages and disadvantages of Bankruptcy
- Key issues before and after a bankruptcy order is made
- Excluded debts
- Preparing a debtor's petition
- Bankruptcy Restriction Orders and Bankruptcy Payment Orders

Pre Entry Requirements

Trainees should have completed the Introduction to Debt or equivalent.

Suitable for:

Generalist advisers new to bankruptcy or caseworkers looking for a refresher course.
